Location

The property is located on the north side of the High Street close to the junction with King Street and next to the pedestrian link to West Street public car park. This section of the town has been repaved recently and there is significant positive development due locally over the forthcoming years which, along with the impending addition of Crossrail in 2019, will considerably improve the town's appeal for those in its affluent catchment area. Maidenhead is a Thameside town located on Junctions 8/9 of the M4 motorway between Marlow, Slough and Windsor.

Description

The property comprises attractive restaurant and café premises with the benefit of 60 covers plus external seating for circa 10. The restaurant is open plan with a fitted bar and kitchen, plus the benefit of basement function room which provides facilities for 20/30 guests.

There are male and female toilets plus rear access from West Street. The restaurant premises would be suitable for a number of food operators.
