There are multiple national and independent retailers / restaurants positioned nearby to the property, such as Costa Coffee & CoOp and various estate agents.

Description

The accommodation can be found at ground floor and basement levels forming part of a substantial 70's property providing commercial / residential space over ground, first, second and third floors, in a central location.

The ground floor provides open plan accommodation partially fitted out as a restaurant / bar, with by-folding entrance doors and large frontage. The previous tenant removed the full height glazing to install the glazing seen to provide private seating within. The landlords would not object to full width and height glazed frontage being reinstalled, subject to any planning permissions that maybe required, should a prospective tenant prefer it.
