## Location & Description

The asset is located near to the centre of Hazlemere and the popular retail park of Park Parade. Hazlemere is circa 2.7 miles north-east of High Wycombe town centre and circa 4 miles from Junction 4 of the M40.

High Wycombe benefits from mainline train station to London Marylebone which is circa 2.65 miles from the asset.

The asset comprises a circa 1960's built trade counter with affiliated yard and rear workshop / storage unit. The affiliated yard to the trade counter is laid to concrete. The woodlands adjoin the builders yard and currently have the benefit of access via Amersham Road, but also by foot from Holmer Green Road.

It might be possible to create an access directly between the trade counter and woodlands, if so desired, subject to the appropriate planning permission etc having been obtained.
